Era newakubadde nga mpaayo eby'obugagga byange byonna okuliisa abaavu, era ne bwe ndiwaayo omubiri gwange okwokebwa, so sirina kwagala, sirina mugaso gwonna.

Okwagala kubonaabona, era kwa kisa; okwagala tekukwatirwa buggya; okwagala tekwenyumiriza, tekwegulumiza, Tekweyisa mu ngeri etasaana, tekunoonya bibye, tekunyiiga mangu, tekulowooza kibi; Tasanyukira butali butuukirivu, naye asanyukira amazima; Agumiikiriza byonna, akkiriza byonna, asubira byonna, agumiikiriza byonna.

Okwagala tekuggwaawo: naye ne bwe wabaawo obunnabbi, buliggwaawo; oba waliwo ennimi, zirikoma; oba waliwo okumanya, kujja kuggwaawo.

Kubanga tumanyi ekitundu, era tulagula ekitundu. Naye ekyo ekituukiridde bwe kinaatuuka, ekyo ekituukiridde kiriggwaawo. Bwe nnali nkyali mwana muto, nnayogeranga ng'omwana omuto, ne ntegeera ng'omwana omuto, ne ndowooza ng'omwana omuto: naye bwe nnafuuka omusajja, ne nvaawo eby'obuto. Kubanga kati tulaba nga tuyita mu ndabirwamu, mu kizikiza; naye oluvannyuma maaso ku maaso: kaakano mmanyi ekitundu; naye kale ndimanya nga nange bwe mmanyi.
